**Stuco Budget Committee – Club Request Form
2015 – 2016**

Financial Details:

Have you investigated alternative sources of funding (via alums, the Student fund run by Ms. Lembo)? If so, which? If not, you will most likely want to pursue those first instead.

How much money, if any, has your club received from Budget Committee in the last two years? This includes all grants from the 2014–2015 and the 2015–2016 school years.

How long will these funds support your club's needs? Are the funds requested solely for one event? Are they sufficient for the remainder of the year?

When you've finished this form, please contact either of our coheads:

Cam Rider: crider@exeter.edu

Charlotte Sununu: csununu@exeter.edu

We will set up an appointment for you with the rest of Budget Committee on a Tuesday night (7:30 to 8) at the Stuco office unless otherwise notified. Please come with as many of your coheads as possible and ten printouts of this application.

In addition, please attach proof of cost, with as much information as you can provide including screenshots or online Amazon pages, to be reviewed by the heads of the committee (only one copy, please). A proposal passed by the committee may be vetoed due to lazy or incorrect calculations of cost.

If you have any further questions, feel free to contact either of our coheads.
